CERTIFICATE OF EMPLOYMENT

A K M Mahmudul Haque (081093) has worked for has worked as a trainee at Jamk University of Applied Sciences Institute of Information Technology.

Her work consisted of assisting Senior Lecturer Matti Mieskolainen with the ICT Skills course.

The duration of the employment was 1.9.-24.11.2022 (total work time was 70 hours).

In his work, Haque has shown commitment and initiative in his duties. He has excellent ICT skills and is always willing to learn new skills needed in the assistant tasks. He has excellent English skills, and the working language was English.

During his assistant work, Haque completed all his tasks diligently and with great thoroughness. He is able to take the initiative and is helpful towards all his colleagues and fellow students. He has a positive character and communicates professionally and friendly. He has been an equal member of the ICT Skills team, and we wish him all the best for his future career.

I can recommend him, A K M Mahmudul Haque (081093), for demanding IT technology jobs/roles and as a team member.

I am available if additional information is needed.

Matti Mieskolainen
